(1) Owner or contractor agrees to deposit the above-calculated estimated use tax at the time of the issuance of the building permit per Parachute Municipal Code Section 5.50.060 (F). The estimated amount of use tax imposed shall be conclusively deemed the use tax due, and the deposit shall be retained by the Town, unless disputed by the taxpayer within thirty (30) days of final inspection per Section 5.50.060 (G).

(2) Owner or contractor agrees to use the use tax exemption certificate only for construction and building materials on the above referenced address and building permit number as per Parachute Municipal Code Section 5.50.060 (H). Fraudulent misuse of the use tax certificate shall be a crime punishable in accordance with Section 5.50.060 (H).

(3) Owner or contractor is responsible for presenting certificate to vendor prior to consummation of any sale of building or construction materials.

(4) Owner or contractor agrees to report any vendor who refuses to honor use tax exemption certificate to the Town of Parachute Finance Department.
