

# Town of Parachute License Renewals

*It's time to renew your license for 2023*

Calling all Parachute Business Owners, Contractors, Sub-Contractors, and Transient Vendors! I know you all are very busy and are trying to wind down and finish out the year, but... It's time to renew your licenses! Please submit your application with all supporting documentation and proof of payment by email to the correct department. Applications that are mailed in with a check will take longer to process, but are still accepted. If you are writing a check, please make it out to Town of Parachute and mail to 222 Grand Valley Way, Parachute, CO 81635. You may also pay online at [parachutecolorado.com](http://parachutecolorado.com) or in person at Town Hall. Please be aware that paying with a credit card online, in person, or over the phone will incur a 3% convenience fee.

## Colorado Bag Fee

The Town of Parachute wants to educate both its residents and businesses concerning the Colorado bag fee which is set to go into effect January 1, 2023. The bag fee is a result of House Bill 21-1162, which provides the following: Between January 1, 2023, and January 1, 2024, a store may furnish a recycled paper carryout bag or a single-use plastic carryout bag to a customer at the point of sale **if the customer pays a fee of 10 cents per bag**. On and after January 1, 2024, a store may furnish only a recycled paper carryout bag to a customer at the point of sale at a fee of **10 cents per bag**. To date, *the Town has not elected to impose a higher bag fee*, but the Town reserves the right to do so in the future. Beginning April 1, 2024, and continuing on a quarterly basis thereafter, any store located in the Town must remit 60% of the carryout bag fee revenues to the Town and may retain the remaining 40% of the carryout bag fee revenues. The carryout bag fee does not apply to a customer that provides evidence to the store that the customer is a participant in a federal or state food assistance program. The carryout bag fee also does not apply to materials used in the packaging of pharmaceutical drugs, medical devices, or dietary supplements or any equipment or materials used to manufacture pharmaceutical drugs, medical devices, or dietary supplements.
